

Sponsored Race Night

It's time for our bi-annual sponsored race night at Hall Green Track on September 28 and 29th. Unfortunately Dawn won't be running in the Human Race again dressed as Scooby Doo (see May's Kennel News) but maybe some adventurous soul will try and do one better? (hint hint).

The sponsored race nights are a major source of funding for the Trust and all money raised will go towards supporting all the fantastic dogs in our care. Several ex-racers will be strutting their stuff in a parade on the track to raise awareness about what wonderful pets they make.

Here's how it works:

Every race (13 each night) is sponsored. You can sponsor a race for £100. Race sponsors will have the race named after them and will present the prize to the winner. Or you can sponsor a trap for £10. Trap sponsors are mentioned in the race card. If the winning dog is from your trap there is a bottle prize.

Anyone can be a sponsor: individuals, businesses, clubs, or in memory of a loved on or beloved pet. Please support this worthwhile event and in doing so, you will be helping to continue the important work of finding loving and responsible homes for these loyal and trusting dogs.
